Mackay Bar (available all year)	\$900	\$1000	\$1100

Average size of people and rafts are controlling factors on price. The number of people (180# bag 30#) and rafts (16' hypalon with basic frame and cooler) are only a guideline on approximate weight. Please be specific when filling out your load form.

If load is larger than specified and an additional trip is necessary you will be charged for an additional boat, please pack honestly.

How It Works:

It's best for both parties if you get picked up at your last night campsite, enabling you to get into your last camp in the afternoon and have time to de-rig, wash, dry, and roll your boats in the privacy of your own camp. We will meet you the following morning around 9 am and start loading. The ride upriver to Corn Creek takes approximately 3 hours.

We can accommodate any size of group working with the other two permitted jet back outfitters on the river. Arctic Creek Lodge, Whitewater Expeditions, and Salmon River Tours are three separate businesses but will work together to accommodate large groups.

*Please include your \$4/person/day recreation fee for your day on the jet boat with your number of float days on the water in your payment to the U.S. Forest Service.

Terms and Conditions:

A \$400 deposit is required to confirm your shuttle, your deposit is refundable if cancelled 30 days before shuttle date, all cancellations are NON-Refundable less than 30 days before your date. All deposits and final payments are 100% refundable if we cancel due to low water, fire or river closures.

Salmon River Tours operates under a special use permit issued by the North Fork Ranger District of the U.S. Forest Service. Salmon River Tours is a bonded and insured outfitter, licensed by the State of Idaho.
